October 31, 2008

Morning Session

## Complying with the McKinney-Vento Act

This workshop will provide an overview of the basic provisions required of school districts in the McKinney-Vento Act, including the definition of homelessness, school selection and enrollment, transportation, Title I, Part A, Set-Asides, child nutrition, special education, and the delivery of other services. The primary objective of this workshop is to give participants tools they can use to make sure the students they serve enroll in and attend school. This workshop is a half-day, stand-alone workshop intended for practitioners who have been in the field for less than two years.
