

NATIONAL ASSOCIATION FOR THE EDUCATION
OF HOMELESS CHILDREN AND YOUTH

OUR MISSION:

The National Association for the Education of Homeless Children and Youth (NAEHCY) is a national nonprofit, membership association. Our mission is dedicated to ensuring educational equity and excellence for children and youth experiencing homelessness, including high mobility children and youth, through collaboration, learning, leadership and capacity building of our members.

OUR VISION:

To ensure that every child and youth experiencing homelessness is successful in school, from early childhood through higher education.

Our members serve the approximately 1.5 million children and youth experiencing homelessness

ATTENDANCE: 1,500+

Our annual conference is virtual this year due to COVID-19 and our desire to keep our attendees safe and well. The annual conference, first started in the late 80s, brings together those who serve our children and youth experiencing homelessness across the nation. Last year's conference held in Washington, D.C. registered approximately 1,700 attendees from 48 states, D.C., Guam, and Puerto Rico.

CEUs:

The conference is the only national conference of its kind geared towards providing professional development to those servicing our children and youth in public schools and charter schools throughout the nation. The conference offers continuing education credits, CEUs, and has included other certifications in the recent past.

PRESENTERS:

Approximately 120 expert educators, researchers and advocates from across the nation. This year there are five keynote speakers who are leaders and motivators, including a college student with lived expertise.
