

Phoenix Elementary School District #1 McKinney-Vento Transportation Service Plan

Student Name _____

Grade _____

School of Origin _____

School of Residence _____

Transportation Type:

_____ Within walking boundaries of the school

_____ PESD bus route – lives within Phoenix #1 school boundaries

_____ PESD arranged transportation – living outside school boundaries but within the PESD
The parent/guardian must contact PESD transportation at **602-257-3929** on days the child will not attend school or need transportation.
Failure to do so on three or more occasions will result in transportation services being suspended or cancelled.

_____ Shared transportation with another school district
If your address is outside the PESD boundaries, transportation services will be shared with the district in which you reside. Generally PESD transports one way and the other district transports the other. Please note that shared transportation takes additional time to set up and coordinate between districts. The parent/guardian must contact **both districts** on days the child will not attend school or need transportation. **Failure to do so on three or more occasions will result in transportation services being suspended.**

_____ City Bus Tickets
If you choose, city bus tickets are available for students use to and from school instead of school busses. PESD staff and parents must determine if students are able to ride the city bus alone, or if the parent must accompany the child/children. Passes will be distributed on a weekly basis. If the student withdraws from PESD unused bus tickets must be returned to the PESD school of attendance.

Transportation Rules:

_____ Students must be ready and waiting at the designated pick up area five minutes before the pick-up time. After school, students must go directly and quickly to the pick-up area. The drivers' routes are tightly scheduled with multiple students waiting to be picked up or dropped off. For this reason drivers cannot wait for students. In specific cases, your child may be the only stop on a lengthy route. Cases such as this require extra attention so that valuable resources are not wasted when your student is not going to ride the bus.

_____ Students will adhere to all PESD transportation regulations. A copy of the PESD bus rules has been provided. Students must wear a seat belt. **Misconduct on the bus can result in a suspension of transportation.**

Commitments:

_____ Contact Information: I will contact the McKinney Vento Liaison to update personal contact information **each time a change occurs.**
#602-532-8988 Sara Sims

_____ Rights of Homeless Students: I have received information on the rights of homeless students, including the right to dispute. The McKinney Vento liaison will assist with this should I have any questions.

I have read, understand, and agree to the service plan as outlined above. These services will be reevaluated on an as needed basis and at the beginning of each school year to determine which services, if any, need to be continued. Whenever the family residence changes, the responsible adult will contact the Phoenix Elementary School District immediately.
