Annual Financial Report (Jimiyu Evans, NAEHCY Interim Treasurer)

- The 2020 audit, performed by a new audit firm, Delerme, was clean and simpler bc of the virtual conference. It showed that revenue was down, but so were expenses, due again to the virtual nature of the annual conference.
- With about \$770,000 in assets, the organization is in a healthy financial position.
- The 2021 budget was reviewed and the year is expected to result in a strong and healthy financial position, as well.
 - o By the end of August, we already hit 95% of the projected net revenue for the conference.
 - The A/V expense was much higher than anticipated bc of hybrid option.
 - Food and beverage expenses are still a bit unknown.
- Upon recommendation of Delerme, the operating fund account was moved to Wells Fargo to separate it from the reserves.
- After this review, the financial report was accepted as presented.
