ABOUT NAEHCY

The National Association for the Education of Homeless Children and Youth (NAEHCY) is a national, nonprofit membership association. We are dedicated to ensuring educational equity and excellence for children and youth experiencing homelessness—including high mobility children and youth—through collaboration, learning, leadership, and capacity building of our members, and advocacy in support of their work.

We **support** state and federal administrators, homeless liaisons, educators, community service providers, advocates, parents and youth. In addition, we **collaborate** with partners to **advocate** for public policy designed to ensure all children and youth succeed in school.

We provide technical assistance and share best-practice strategies to individuals, agencies, and organizations to ensure the academic success of the children and youth we serve, and our members serve the approximately **1.5 million children** and youth experiencing homelessness across the nation.

ABOUT THE EVENT

Each year NAEHCY brings together education professionals from across the country who work closely with homeless children and youth. This year includes an engaging pre-conference, inspirational keynotes, curated break-out sessions, and networking opportunities for the **2,000+ professionals** joining us in Nashville and online via live-stream.

Our conference sponsors gain the opportunity to **connect** with thought leaders and education professionals from across the country, **raise awareness** of your brand, and forge **new partnerships**.

The NAEHCY Awards

The NAEHCY Awards recognize professionals who go above and beyond their duties with a true passion and commitment to improving outcomes for homeless youth.

The NAEHCY Scholars Program

We award scholarships annually to academically determined and socially responsible postsecondary students who have experienced homelessness and are actively pursuing their post-secondary education.

Award recipients and scholars are honored in a recognition ceremony at the conference.

We are expanding and growing our impact, and we invite you to be a part of this exciting next chapter with us!
