ON-DEMAND ATTENDEE GUIDE

WHAT TO EXPECT FROM YOUR ON-DEMAND EXPERIENCE

2026 NAEHCY Annual Conference On-Demand Experience | Pathways With Promise: Centering Students, Strengthening Systems

Dear NAEHCY Conference On-Demand Attendee,

Thank you for registering for the 2026 NAEHCY Annual Conference On-Demand Experience! We are pleased to offer you a flexible way to engage with selected conference learning from wherever you are.

What to Expect from the On-Demand Experience

> **The NAEHCY On-Demand Conference is not a live virtual conference experience.**

Instead, your registration provides access to a curated collection of recorded videos based on selected sessions taking place during the live 2026 NAEHCY Annual Conference in Nashville, Tennessee.

These recordings are designed to extend the learning from the in-person conference and allow On-Demand attendees to engage with selected content on their own schedule.

Please note that On-Demand registration does not include:

- Live streaming of conference sessions
- Real-time participation in sessions
- Live interaction with presenters during the in-person conference

When Will On-Demand Sessions Be Available?

On-Demand conference sessions will be made available approximately **2 to 3 weeks following the conclusion** of the 2026 NAEHCY Annual Conference.

On-Demand content will be accessible through the Cadmium Conference platform.

> As the On-Demand experience becomes available, SPARGO, Inc., NAEHCY's event management partner, will send registrants a dedicated communication with additional access information and instructions for using the Cadmium Conference platform.

Please keep an eye on your inbox during the weeks following the conference for this important communication.

Continuing Education Credits

NAEHCY is currently exploring National Association of Social Workers (NASW) Continuing Education approval for select On-Demand sessions. Continuing Education availability cannot be guaranteed until the approval process is finalized.

If approval is received, participants seeking CE credit will be required to:

- Complete the applicable On-Demand session
- Complete the required post-test
- Complete the session evaluation

Participants are also encouraged to confirm their individual state licensing board requirements regarding On-Demand, distance-learning, or self-study continuing education before relying on these sessions to satisfy licensing or renewal requirements.

Additional information about Continuing Education availability will be shared as it becomes available.

Review the On-Demand FAQs
